

Repair Form

Please fill out the form, print this page, and include it in the returned package.

- Read through the Trouble Shooting Guide.
- Isolate and mark the unit that is not working properly. (If outside the U.S., contact us if you are not sure which part is failing.)
- Read Warranty Information/Repair Prices.
- Read through shipping instructions.
- Are any replacement parts needed? If so, please list in the space provided.
- Include payment information.
